

Ladies and Gentlemen,

We are a sales agency from Germany, for some of our customers (construction business) we are looking for suppliers from Greece for products mentioned in the attachment of this e-mail.

It would be helpful, if Greek manufacturers could name these information in their offer:

- Maximum delivery quantity per month for wedges and per year for shovel handles (minimum quantity see attachment)
- Our purchasing price delivered free Germany graduated by purchase quantity
- Delivery time from factory to Germany
- Photos of product samples (via e-mail-attachment or at a website)

Thank you very much in advance for forwarding our offer to Greek manufacturers.

Kind regards to Greece

Ralph
